Section 1 – Introduction

This directory provides a list of Health First Medicare Plans' network providers. To get detailed information about your health care coverage, please see your *Evidence of Coverage*.

You will have to choose one of our network providers who are listed in this directory to be your **Primary Care Physician (PCP)**. The term "PCP" will be used throughout this directory. Generally, you must get your health care coverage from your PCP.

The "network providers" listed in this directory have agreed to provide you with your health care coverage. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers. Health First Medicare Plans does not require members or their providers to obtain a referral for covering medically necessary services; however, some providers may require a referral. Some services provided in-network may require prior authorization from our plan. If you have any questions about whether we will pay for any medical service or care that you are considering, you have the right to ask us whether we will cover it before you get the service or care. To request a copy of Health First Medicare Plans' Prior Authorization List, please contact our Customer Service Department at 321-434-5665 or 1-800-716-7737. Our Customer Service Hours are:

- February 15–October 14: Monday through Friday from 8 am to 8 pm. Saturday from 8 am to Noon. You may receive a messaging service on weekends and holidays. Please leave a message and your call will be returned the next business day.
- October 15–February 14: Seven days a week from 8 am to 8 pm.
- TTY/TDD users should call 1-800-955-8771 during Customer Service hours.

For detailed information about your Health First Medicare Plans provider coverage, please review your *Evidence of Coverage*.

If your plan includes point-of-service benefits, you may see providers out of the network. Health First Medicare Plans does not require members or their providers to obtain a referral for covering medically necessary services. However, some services may require prior authorization.

If you receive bills from non-plan providers that you believe should be paid by Health First Medicare Plans

Health First Medicare Plans covers certain health care services that may be obtained from non-plan providers. These include:

- Care for a medical emergency
- Urgently needed care
- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside the plan's service area. (If possible, please call Customer Service before you leave the service area so we can help arrange for you to have maintenance dialysis while you are away.)
- Care that has been approved in advance by Health First Medicare Plans
- Any services which were ordered to be covered through an appeals process

Sometimes a non-plan provider may ask or require you to pay for any of these covered services. The non-plan provider has a right to get his/her fees, but does not have a right to get them from you. You should ask them to bill us first. In cases where you have already paid for the covered services, we will reimburse you for our share of the cost. You should never pay any non-plan provider more than what is allowed by Medicare. If you get a bill asking for payment, you can send the bill to us for payment. We will pay your non-plan provider for our share of the bill and will let you know what, if anything, you must pay. For questions regarding any of these situations, please contact our Customer Service Department at 321-434-5665 or 1-800-716-7737. Our Customer Service Hours are:

- February 15–October 14: Monday through Friday from 8 am to 8 pm. Saturday from 8 am

to Noon. You may receive a messaging service on weekends and holidays. Please leave a message and your call will be returned the next business day.

- October 15–February 14: Seven days a week from 8 am to 8 pm.

TTY/TDD users should call 1-800-955-8771 during Customer Service hours.

You will also find detailed information in your *Evidence of Coverage*.

Getting care when traveling out of the plan's service area or in an emergency

If you need care when you are outside the service area, your health care coverage is limited. The only services we cover when you are outside our service area are:

- Care for a medical emergency, including maintenance care and hospital care after you are stable (known as post-stabilization care)
- Urgently needed care
- Renal dialysis (kidney)
- Care that has been approved in advance by Health First Medicare Plans.

For more information about medical emergency and urgently needed care, please review the *Evidence of Coverage*. If you question whether a service is covered when you travel, please call our Customer Service Department at 321-434-5665 or 1-800-716-7737. Our Customer Service Hours are:

- February 15–October 14: Monday through Friday from 8 am to 8 pm. Saturday from 8 am to Noon. You may receive a messaging service on weekends and holidays. Please leave a message and your call will be returned the next business day.
- October 15–February 14: Seven days a week from 8 am to 8 pm.

TTY/TDD users should call 1-800-955-8771 during Customer Service hours.

You must use plan providers except in emergency or urgent care situations or for out-of-area renal

dialysis. If you obtain routine care from out-of-network providers neither Medicare nor Health First Health Plans will be responsible for the costs. When out of the service area, you can obtain renal dialysis services from any Medicare-certified dialysis facility. (If possible, please call Customer Service before you leave the service area so we can help arrange for you to have maintenance dialysis while you are away.) If your plan includes POS benefits, with the exception of emergencies or urgent care, it may cost more to get care from out-of-network providers.

What is the service area for Health First Medicare Plans?

The county and parts of counties in our service area are listed below.

The Health First Medicare Plans' service area includes Brevard County, and Indian River County, the following zip codes only: 32957, 32958 and 32978.

How do you find Health First Medicare Plans providers in your area?

The directory is organized by provider specialty. The address of each provider is included to help you find providers with locations most convenient for you. If you have questions about Health First Medicare Plans, or need assistance locating a provider, please call our Customer Service Department at 321-434-5665 or 1-800-716-7737. Our Customer Service Hours are:

- February 15–October 14: Monday through Friday from 8 am to 8 pm. Saturday from 8 am to Noon. You may receive a messaging service on weekends and holidays. Please leave a message and your call will be returned the next business day.
- October 15–February 14: Seven days a week from 8 am to 8 pm.

TTY/TDD users should call 1-800-955-8771 during Customer Service hours.

Section 2 – List of Network Providers

This directory provides the following physician specific information:

- **Physician’s name and gender**
- **Medical group affiliation** – Indicates whether the physician is part of a group of doctors.
- **Office location** – Includes street address, name of city, and office phone number.
- **Medical school, internship, residency, and fellowships, if any** – Indicates where the physician obtained his/her education.
- **Specialty – Visit**
http://www.abms.org/Who_We_Help/Consumers/specialties.aspx for an explanation of what body part or condition each type of specialist treats.
- **Board certification** – To achieve and maintain board certification, physicians must complete an extensive process of specialty education and exams to demonstrate competency with the latest advances in medical science and technology in his or her specialty as well as best practices in patient safety, quality healthcare and creating a responsive patient-focused environment. To learn more, visit the American Board of Medical Specialties (www.abms.org) or the American Osteopathic Association (www.osteopathic.org).
- **Hospital privileges** – Indicates which hospital(s) have granted that physician privileges to see patients in their facility. If you want to use a particular hospital, it’s important to choose a physician who can see you there.
- **Accepting established patients only** – Indicates whether a physician will only see patients who are already “established” with his/her practice.
- **Languages spoken** – Indicates any language(s) the physician may speak other than English.
- **Age Requirement** – Indicates whether or not the physician is limited to seeing patients of

certain ages. For example, a pediatrician may only see patients under the age of 18.

Participating physicians, hospitals and other health care providers are independent contractors and are neither agents nor employees of Health First Health Plans. Although we make every effort to maintain this information as accurately as possible, the availability of any particular provider cannot be guaranteed, and provider network composition is subject to change. The provider directory is continually updated as information becomes available.

Physicians in our network have undergone a thorough evaluation and verification of their education and credentials. Our providers submit their medical credentials (education, board certification, hospital privileges, etc.), and office information (group affiliation, address, phone, office hours, foreign languages spoken, etc.). HFHP then verifies medical credentials directly with each corresponding organization, and confirms office information with the physician’s office staff. After initial verification, this process is repeated every three years.

The online Provider Directory search tool located on our website at www.HealthFirstHealthPlans.org contains the most current information on our provider network as it is updated daily.

This Provider Directory consists of 235 Primary Care Physicians, 485 Specialists, 69 Outpatient Mental Health Providers, 7 Hospitals, 15 Skilled Nursing Facilities, 12 Urgent Care Centers, and 128 Pharmacies.

Health First Medicare Plans

Pharmacy Directory

This booklet provides a list of Health First Medicare Plans' network pharmacies. Please contact Health First Medicare Plans at the numbers listed below. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about Health First Medicare Plans' network pharmacies in your area, please visit our Web site at www.HealthFirstHealthPlans.org or call our Customer Service Department at 321-434-5665 or 1-800-716-7737. Our Customer Service Hours are:

- February 15–October 14: Monday through Friday from 8 am to 8 pm. Saturday from 8 am to Noon. You may receive a messaging service on weekends and holidays. Please leave a message and your call will be returned the next business day.
- October 15–February 14: Seven days a week from 8 am to 8 pm.

TTY/TDD users should call 1-800-955-8771 during Customer Service hours.

Beneficiaries must use network pharmacies to access their prescription drug benefit. Benefits, formulary, pharmacy network, premium and/or copayments/coinsurance may change on January 1, 2013.

A Medicare Advantage organization with a Medicare contract.

This information is available for free in other languages. This information may be available in an alternate format such as Braille, larger print or audio. If you need this information in another format or language, please call our Customer Service Department at the hours listed above.

Introduction

This booklet provides a list of Health First Medicare Plans' network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and Health First Medicare Plans' formulary. If you have additional questions, please call our Customer Service Department at 321-434-5665 or 1-800-716-7737. Our Customer Service Hours are:

- February 15–October 14: Monday through Friday from 8 am to 8 pm. Saturday from 8 am to Noon. You may receive a messaging service on weekends and holidays. Please leave a message and your call will be returned the next business day.
- October 15–February 14: Seven days a week from 8 am to 8 pm.

TTY/TDD users should call 1-800-955-8771 during Customer Service hours.

Or, visit www.HealthFirstHealthPlans.org.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Health First Medicare Plans. In most cases, your prescriptions are covered under Health First Medicare Plans only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

How do you fill a prescription through our plan's network mail-order pharmacy service?

When you order prescription drugs through our network mail-order pharmacy service, you must

order at least a 90-day supply, and no more than a 90-day supply.

Generally, it takes the mail-order pharmacy 7-10 days to process your order and ship it to you. However, sometimes your mail-order may be delayed. In the event that your prescription is delayed while using the mail-order service or you run out of your medication, please contact our Customer Service Department for immediate options.

You are not required to use mail-order prescription drug services to obtain an extended supply of maintenance medications. Instead, you have the option of using another network retail pharmacy in our network to obtain a supply of maintenance medications. Some of these retail pharmacies may agree to accept the mail-order cost-sharing amount for an extended supply of maintenance medications, which may result in no out-of-pocket payment difference to you. Other retail pharmacies may not agree to accept the mail-order cost-sharing amounts for an extended supply of maintenance medications. In this case, you will be responsible for the difference in price.

To get order forms and information about filling your prescriptions by mail, you may contact Health First Family Pharmacy by calling (321) 434-7355 or toll-free (866) 469-1506. Please see the instructions below on how to fill new prescriptions and refills. Please note that you must use our network mail-order service. Prescription drugs that you get through any other mail-order services are not covered.

For new prescriptions

Complete the sections of the mail-order form that apply, and send the completed form along with your doctor's signed prescription(s) to Health First Family Pharmacy according to the form's instructions.

For refills

To refill online: Visit Health First Family Pharmacy's website at WWW.PHARMACY.HEALTH-FIRST.ORG.

To refill by phone: Call Health First Family Pharmacy at (321) 434-7355 or toll-free (866) 469-1506.

How do you fill prescriptions outside the network?

We have network pharmacies outside of the service area where you can get your drugs covered as a member of our plan. Generally, we only cover drugs filled at an out-of-network pharmacy in limited, non-routine circumstances when a network pharmacy is not available. Below are some circumstances when we would cover prescriptions filled at an out-of-network pharmacy. Before you fill your prescription in these situations, call Customer Service to see if there is a network pharmacy in your area where you can fill your prescription. If you do go to an out-of-network pharmacy for the reasons listed below, you may have to pay the full cost (rather than paying just coinsurance or co-payment) when you fill your prescription. You may ask us to reimburse you for our share of the cost by submitting a paper claim. You should submit a claim to us if you fill a prescription at an out-of-network pharmacy, as any amount you pay for a covered Part D drug will help you qualify for catastrophic coverage. To learn how to submit a paper claim, please refer to your *Evidence of Coverage*. If we do pay for the drugs you get at an out-of-network pharmacy, you may still pay more for your drugs than what you would have paid if you had gone to an in-network pharmacy.

Getting coverage when you travel or are away from the plan's service area

If you take a prescription drug on a regular basis and you are going on a trip, be sure to check your supply of the drug before you leave. When possible, take along all the medication you will need. You may be able to order your prescription ahead of time through our mail-order pharmacy.

If you are traveling within the United States and territories and become ill or run out of your prescription drugs we will cover prescriptions that are filled at an out-of-network pharmacy. You can ask us to reimburse you for our share of the cost by submitting a claim. To learn how to submit a paper claim, please refer to your *Evidence of Coverage*. You can also call Customer Service to find out if there is a network pharmacy in the area where you are traveling. If there are no network pharmacies in that area, Customer Service may be able to make arrangements for you to get your prescriptions from an out-of-network pharmacy. We cannot pay for any prescriptions that are filled by pharmacies outside of the United States and territories, even for medical emergencies.

What if you need a prescription because of a medical emergency or because you needed urgent care?

When you are outside of the service area and within the U.S. and its territories, we will cover prescriptions that are filled at an out-of-network pharmacy if the prescriptions are related to care for a medical emergency or urgent care. In this situation, you will have to pay the full cost (rather than paying just your co-payment or coinsurance) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. To learn how to submit a paper claim, please refer to your *Evidence of Coverage*.

Health First Medicare Plans' Network Pharmacies

We have listed the individual locations of many network pharmacies as well as provided central telephone numbers for the pharmacy corporate offices. You can use this directory to find a network pharmacy near your area or you can call the central number of a chain pharmacy to determine the location nearest your home. Or, you can visit our website at www.HealthFirstHealthPlans.org or call our Customer Service Department at the phone number listed on the first page of this directory.
