

BLS for Healthcare Providers Online

Initial Certification or Renewal CPR for those that work in the healthcare setting

Associates: Please visit www.health-first.org/training

Non-associates: \$50

Students will learn adult, child and infant CPR and choking relief, as well as how to use an AED. This self-paced course is accessible anytime from any computer. After successful completion of the online portion, a hands-on skills evaluation is required. Skills evaluations take place at the Health First Training Center.

Heartsaver CPR/AED Online

Initial Certification or Renewal CPR for those who are NOT healthcare providers

Associates: Please visit www.health-first.org/training

Non-associates: \$50

This course is for those who are NOT healthcare providers, but still need a CPR certification card to meet a work requirement. Students will learn adult, child and infant CPR and choking relief, as well as how to use an AED. This self-paced course is accessible anytime from any computer. After successful completion of the online portion, a hands-on skills evaluation is required. Skills evaluations take place at the Health First Training Center.

Once you have registered, you will receive an email from the American Heart Association with instructions.
